[flagpole]

[Glue this dark gray area, then match up the gray area / happy face]

[completion edge]

[Glue this light gray area, then roll to complete the flagpole]

Roll this way toward completion edge

1. Cut along dotted lines, and discard unneeded area
2. Glue [flagpole] gray area and place [flag] on the [flagpole] matching up the happy face
3. Glue the rest of the flagpole along the [completion edge]
4. Roll/fold up the flagpole tightly (a very small diameter dowel may help at beginning)
5. Crop a small portion of the top and bottom of the flagpole for a clean finish
