

BRIDGE Researchers List

✓This is a list of researchers who have at least one year of research experience at a Canadian university or research institution and are currently conducting research at a Japanese university or research institution.

✓This list is intended to contribute to the new discovery, expansion, and deepening of research cooperation between Japan and Canada, and should not be used for any other purpose.

✓If you wish to contact a researcher listed here, please visit the URL provided. If you are unsure, please contact us at <https://forms.office.com/r/uPDVfWGFbJ>
